

Taste of Love: A Romance Sampler

Bestselling author Susan Connell offers readers a generous sample from seven of her hottest romance novels. Extended excerpts include the first three chapters from *A Woman to Blame*, *Glory Girl*, *Trouble in Paradise*, *Pagans Paradise*, *Some Kind of Wonderful*, and the holiday-themed *Rings on Her Fingers*. And for a bonus nibble, enjoy the first chapter of her latest beach romance, *A Man Like This*. PLEASE NOTE: This sampler contains lengthy EXCERPTS, not the entire novels. **A WOMAN TO BLAME:** When city girl Bryn and laid-back Rick butt heads over the renovation of his Florida Keys restaurant, sparks fly. But what happened 5 years ago on August Moon Key, and will that secret destroy their chance at happiness? **GLORY GIRL:** When Evan discovers ex-super model Holly Hamilton hiding in his Jersey Shore guest cottage, the aviation executive wants to know why. An unauthorized semi-nude poster known as Glory Girl has America riveted but Holly just wants her celebrity status to go away. Evan knows there's more to the story, and he'll do whatever it takes to gain Holly's trust. **A MAN LIKE THIS:** Drew wants info about a string of burglaries in his beloved uncle's retirement community, and he can't understand why the community's resident problem solver, Jill Stuart, won't believe they're even happening. As their undeniable chemistry comes to a head, Jill finds herself torn between her connection with Drew and her solemn promise to one of her residents. **TROUBLE IN PARADISE:** Buttoned-down Allison arrives in the Central American rain forest on the hunt for her brother-in-law, Tony. She's got a message to deliver, but standing in her way is one Reilly Anderson. When he sidetracks her into playing out her childhood Tarzan fantasies, this pharmaceutical exec just wants to protect Tony's secret drug research. But when

Allison lets down her hair - and her guard - anything can happen. After all, its a jungle out there.

PAGANS PARADISE: After a bad breakup with her high-society boyfriend, Joannas chance for a badly-needed life makeover comes in the form of an offer from a childrens charity. They want this hard-working freelance photographer to shoot underprivileged Central American kids. When she signs on, she expects a walk on the wild side. What she gets is her nose bloodied and her camera stolen within hours of arrival. Enter her rescuer, undercover agent Jack Stratford, who knows the streets of San Raphael are about to explode. As the revolution grows closer, so do they, and this gutsy redhead is a distraction he cant afford. So why cant Jack shake the feeling that shes the woman of his dreams?

SOME KIND OF WONDERFUL: Young widow Sandy Patterson has had a perfect life, now she wants a real one. Time away from her well-meaning but overly protective southern family is something she needs, and a summer painting in Greece sounds perfect. She just needs to get a quick visit with her husbands old college roommate, Alex, out of the way. He invites her to stay at his Greek isle villa where he keeps a respectful distance, but soon their chemistry has her wanting things she hasnt in a long time, and she can tell he feels the same. Now she just needs to find out what hidden sadness is holding Alex back.

RINGS ON HER FINGERS: Gwen Mansfield only moonlights as a jewelry store mall elf to help pay the bills at her beloved mansion-turned-apartment house. Between her duties to her tenants and the *four* broken engagements in her past, she knows its best she resist Architect Steve Strattons charms. Steves not dissuaded by her white-lies, though, and he manages to rent her last vacant apartment, then makes himself indispensable. When their undeniable attraction heats up, Gwens heart soon begins to melt...until an unexpected visitor knocks Steves plans into the nearest slushy gutter.
