Christian Contemporary Romance and Romantic Mystery/Suspense This collection of the first three faith-based stories in the beloved Millers Creek novels by Christian author Cathy Bryant shares the messages of finding true home, trusting God in the most trying of circumstances, and sharing the gift of Gods grace and mercy with others, including our enemies. Texas Roads One secret kept, another uncovered... Dani Davis just wants a place to call home. With quirky residents, quaint country charm, and loads of business potential, Millers Creek, Texas seems like the perfect place to start over...except for the cowboy who gives her a ride into town. Dani secretly finances renovations to downtown Millers Creek, but malicious rumors force her to choose between keeping her involvement a secret and the home for which shes always longed. Then a devastating discovery propels her down a road she never expected to travel. Steve Miller is determined to rescue his dying hometown. When vandals jeopardize the renovation, he cant help but suspect Dani, whose strange behavior has become fodder for local gossips. Can Steve and Dani call a truce for a higher cause, and in the process help Dani recognize the true meaning of home? ...one of those stories that sticks in your heart. -Amazon Reviewer A Path Less Traveled A grieving widow, her daddy-starved little boy, and the man who loves them both... Trish James is tired of being rescued. When a spooked horse claims her husbands life, shes determined to blaze a path for herself and her traumatized son without outside help. But will that mean leaving the place etched on her heart? Andy Tyler has had to struggle for everything, and starting a new law practice in Millers Creek, Texas is no different. Though prepared for business challenges, hes not prepared for falling in love--especially with yet another woman who will probably abandon him for her

career.
