

Teaching Young Children with Autistic Spectrum Disorders to Learn

This book is an invaluable resource for parents and educators who live and work with young children, ages 3 to 7, with an autism spectrum disorder. Accompanied by effective and engaging drawings to accommodate visual learning, this guide includes key information and a range of helpful strategies. Readers who have little knowledge about ASD and experienced caregivers and educators alike can benefit from the strategies presented in this book, as it offers a wide range of tested methods to help young people on the spectrum develop and learn.
