

Tempt Me, Taste Me, Touch Me

In this collection of sexy novellas, three women take a road trip to Napa Valley and where there's wine and women, there's always seduction. California wine country is a world of sensual delights—the tantalizing kiss of sunlight...the luscious decadence of gourmet cuisine...the slow burn of wine that warms from within...and sinfully sexy men. For three women hungering for more, it's a destination for pleasuring both body and soul... TEMPT ME Carrie can't explain why she turned down a marriage proposal from Mr. Perfect. But a chance encounter with a rugged winemaker who works the earth unleashes something wild in her. His raw, hungry power has her intoxicated with desire and she knows it's useless to resist... TASTE ME After voluptuous Rose is left by her boyfriend for a thinner woman, she's in for a sensual shock when she falls for a chef who can't get enough of her luscious curves. One taste of his lovemaking will never be enough... TOUCH ME Vanessa is used to loving and leaving her men. And the man she wants now is an intense artist who has her modeling nude amid the Napa vineyards. But this time, he's the one playing hard to get and their heated game of look but don't touch will soon have Vanessa begging for release...
