

Texas Bride: A Bitter Creek Novel (Bitter Creek Novels (Large Print))

A New York Times Bestselling Author -- Miranda Wentworth never imagined becoming a mail-order bride. Now marriage to a stranger is her only hope of finding a home where she and her two younger brothers can escape the brutality of a Chicago orphanage. With any luck, she can even start a family of her own, once the three of them are settled at Jacob Creeds Texas ranch. But Miranda has one gigantic concern: Her husband-to-be knows nothing about the brothers she's bringing along.
