

Texas Star: Texas Heroes: The Marshalls, Book 2

Sexiest Man Alive Josh Marshall is on his way home to Texas, when he rescues a woman on the run. In contrast to the many women crushing on him all over the world, this woman does not trust him and wants nothing to do with him, seeking to escape every time his back is turned. Elena Navarro is running from an abusive husband with criminal ties. Terrified to trust anyone, she finds Josh's tender care a miracle, but his fame could be a death sentence for them both. When echoes of a shared past life threaten, Josh questions his sanity, but he's a white knight to the core and cannot stop trying to help her, even at the risk of his life. The second audiobook in New York Times best seller and USA Today best-selling Texas romance author Jean Brashear's Texas Heroes: The Marshalls series is an emotional, suspenseful movie-star romance that will grab your heart and keep it racing. Josh's brother Quinn has his own story, Texas Refuge. Their cousin Casey's story is Texas Danger.
