

Texas Star: The Marshalls Book 2 (Texas Heroes 5)

Jean Brashear is a terrific discovery for me. ~The Romance Reader Sexiest Man Alive Josh Marshall is on his way home to Texas when he rescues a woman on the run. In contrast to the many women crushing on him all over the world, this woman does not trust him and wants nothing to do with him, seeking to escape every time his back is turned. Elena Navarro is running from an abusive husband with criminal ties. Terrified to trust anyone, she finds Josh's tender care a miracle, but his fame and celebrity status could be a death sentence for them both. When echoes of a shared past life threaten, Josh questions his sanity, but he's a white knight to the core and cannot stop trying to help her, even at the risk of his life.
