

The Adventurer

Legend has it that years and years ago Emelina Fleetwood discovered a treasure of gold and, before she died, buried it and then drew a map of the spot. A treasure map, which supposedly traces the path to their ancestors pot of gold, has been handed down to each generation of Fleetwood women. The current map owner, Sarah believes in the legend and hires treasure hunter Gideon Trace to help her search. And hes more than willing to share her adventure.
