

## Alter Your Life

A rousing action program for overcoming adversity and taking charge of life-- by one of our century's greatest mystics. For unhappiness, frustration, loneliness, and other afflictions of the spirit, Dr. Emmet Fox prescribes a powerful remedy based on the life and message of Jesus. In *Alter Your Life*, Fox explains that these dreary problems are actually bad habits of mind -- habits from which we can free ourselves. There is no necessity for anything but success, good health, prosperity, and an abounding interest and joy in life, Fox writes. Through a series of brief meditations, Fox shows us how to exchange our bad habits of mind for the healthy ones demonstrated by Jesus. Based upon biblical texts, *Alter Your Life* offers a progressive, life-changing course designed for all readers, whether or not they have read a religious book before.
