

Jesus Little Instruction Book

Jesus teachings have reached across two millenia, inspiring, informing, and uplifting people from all walks of life. In this elegant little volume, a noted religious publisher and biblical student has collected Jesus key messages, culled from the Gospels. Organized thematically, Jesus words speak directly to contemporary lives and convey a man unlike any other man whose life contains a message for all. Engaging and non-doctrinal commentary throughout places the sayings in their historical context and drawn to this simple and beautiful rendering of Jesus unique--an, even today, unconventional--message for the heart.
