

## The Bath Eccentrics Son (The Bath Trilogy)

On the run from a loathsome proposal, a woman receives a surprising offer that might just lead her to true love ... Nell Bradbournes life is turned upside down when she loses her estate to her cousin, Jarvis. When he pursues her hand in marriage, too, Nell flees to Bath. Its not long before she encounters the dashing and mischievous Brandon Manningford, whose ailing father a cold and distant man has just burdened him with a wholly unexpected task. Brandon and Nell both have something to gain by entering into an alliance but what will happen when their feelings for each other threaten to upset their tenuous partnership? The Bath Eccentrics Son is the 3rd book in the Bath Trilogy, but you may enjoy reading the series in any order.
