

The Baxters: Rayne (Book 5)

Rayne: Thrown away like garbage, used and abused by those she trusted and loved, Carolina Anderson finds herself in the best place in the world to fight back. Rayne saves her leaving his limitations behind and does everything he can to pull Carolina to safety. Carolina and Mitch team up to get rid of the newest threat to the Baxters while Rayne comes back to work with his MC partner, Rich LaPonte. With Rayne's rope fetish he works to build Carolina up so he can tie her up. Shibari is as much about art as it is sexual gratification and Rayne plans on showing Carolina with every twist of the rope.
