

## His Illegitimate Heir (Mills & Boon Desire) (The Beaumont Heirs, Book 6)

This boss broke all the rules for just one night with consequences. A Beaumont by blood, Zeb Richards has waited years to take the company that's rightfully his. But ownership of the Beaumont Brewery means dealing with a formidable adversary: brewmaster Casey Johnson. She's insubordinate and opinionated—so why does Zeb burn to lay claim to the tempestuous beauty? Casey earned her place at the company she loves, and no CEO no matter how irresistible will come between her and her ambitions. Until one night of wild abandon shifts the balance of power. Now Casey is falling for her boss and expecting his baby!
