

The Billionaires Secret: A BWWM Romance Mystery

Shay... My friends tease me, saying I cant tell a lie, but in truth I am D-O-N-E with secrets. My ex was full of them, and I have moved on. I want my life to be simple now. Im not looking for passion, or mystery or any of that nonsense. Unfortunately Liam Graves is equal parts passion and mystery all rolled up into one tall, sexy, RICH package. Now hes got me all turned around and Im finding out that nothing is really so simple as lies versus truth. Sometimes secrets are buried so deep for a reason.
