

## The Beekeepers Son (The Amish of Bee County)

Sometimes it takes a barren landscape to see the beauty of Gods creation. Phineas King knows better than to expect anything but shock and pity wherever he shows his face. Horribly scarred from the tragic accident that claimed his mothers life, he chooses to keep his distance from everyone, focusing his time and energy on the bees his family raises. If no one sees him, no one can judge him. So why does he start finding excuses to seek out Deborah Lantz, the beautiful new arrival in town? Deborah cant get out of Bee County, Texas, soon enough. Once her mother and younger siblings are settled, she is on the first bus out of this dusty town. She is only waiting on the letter from Aaron, asking her to return to lush Tennessee to be his fraa. But that letter never comes. As she spends time getting to know Phineas hoping to uncover the man beneath the scars she begins to realize that she no longer minds that Aaron hasnt sent for her. As both Deborah and Phineas try to come to terms with lives that havent turned out the way they imagined, they discover that perhaps Gotts plans for them are more extraordinary than they could have dreamed. But they need to let go of their own past sorrows and disappointments to find the joy and beauty that lies just ahead for them both.
