

The Long Hot Summer (The Blackstones of Virginia)

Veterinarian Ryan Blackstone has a chip on his shoulder that keeps him firmly unattached. Hes got a young son he adores, a legacy and a family to be proud of. Hes not looking for anything else. And the last thing on Kelly Andrews mind is romance when she accepts a job at the famous Blackstone stud farm. But when she meets sexy Ryan, she begins to question her resolve to remain faithful to her deceased husbands memory. Soon tensions and passions create a heat wave of unspoken need and maybe a chance for new beginnings.
