

The Forgotten Bride (The Brides of Holland Springs Book 3)

From the New York Times and USA Today bestselling author, Marquita Valentine, comes the Brides of Holland Springs, a sweetly sexy series set in the town that readers have come to love. Sexy former reality television star Luke Ambrose has returned to make a home in Holland Springs again--this time as the newest doctor for the town's local clinic, and with every intention of making up for his past wrongs against his ex-wife. After slipping into a coma due to a freak car accident, Lily Sawyer finally wakes up in the hospital, unable to remember the past ten years of her life. But what she does remember--she's a dance teacher and she's married to her high school sweetheart, Luke. Torn between letting the past be the past and telling Lily the truth about their fragile relationship, Luke gives her the basics--they're divorced but trying to work things out. However, when Lily regains her lost memories and none of them include her new relationship with Luke, will she leave him once again, or give their love the second chance it deserves?
