

# The Chaotic Miss Crispino (Mills & Boon Silhouette)

Valerian Fitzhugh had been entrusted to accompany a wayward, headstrong heiress from her disreputable Italian pensione to her family's English estate. He had expected a young girl, not a beautiful, full-grown woman employed as an opera singer. Ever mindful of his obligation, Valerian escorted Miss Allegra Crispino across the ocean in a most gentlemanly fashion. Yet once they touched shore, the Englishman could no longer deny himself a kiss from the maddening minx. With that one embrace, their fates appeared to be sealed until chaos was unleashed.
