

The Cinderella Act

Nothing appeals to Annie Sullivan's sense of romance like hunting for a missing heirloom. She can't get enough of the stories surrounding Sinclair Drummond's Scottish ancestors. But when they search his mansion together, she can't get enough of her boss and they make love. Simply shocking. For a divorcee determined to stay single, Sinclair is on thin ice with his housekeeper, no less. And when he takes Annie to a gala on his neighbor's Long Island estate, the Cinderella song and dance becomes the real deal. But will major family drama stop this fantasy fling dead in its tracks?
