

## The Cinderella Rules

THERES A LITTLE BIT OF CINDERELLA IN EVERY WOMAN ... except Darby Landon, or so she thinks before meeting the three fairy godmothers of Glass Slipper, Inc. They guarantee they can bring out the princess in any woman. But theyll have their work cut out for them with Darby, whos more comfortable in jeans and cowboy boots than designer gowns. But when shes called from her Montana ranch to squire her impossible-to-please fathers star client around the D.C. social scene, Darby has to turn into the queen of chic ... and fast. Between torture-chamber sessions of tweezing and teasing, and horrifying lessons on place settings, Darby finds herself drawn into a fairy-tale romance of the very adult variety with Shane Morgan, the devastatingly sexy (and reluctant) heir to one of the citys largest companies. But when another Prince Charming arrives on the scene, Darbys caught between the woman she is and the woman shes supposed to be, between two very different irresistible bad boys. Now Darby has to choose her own happy ending ... and with the help of three very unusual fairy godmothers, this modern-day Cinderella is determined to stay dancing way past midnightno pumpkins required.
