

## The Cloverleah Pack Boxed Set: (Books 1 - 3)

Please note these are previously published works. If you already have the original titles, please don't purchase this set as there is no new material included. 3 full books, over 700 pages, 270,000 words - great deal. This compilation makes up the first three books of the Cloverleah Pack series. The Reluctant Wolf Kane Matthews, Alpha of his small wolf pack in Cloverleah has been raised to believe that mates are not possible for gay men and has lived his life accordingly. Kicked out of his home pack years before because of his sexual orientation Kane has built a solid and comfortable life for himself in the small town of Cloverleah. Imagine his surprise when an unscheduled visit to the small town's diner unleashes a flood of emotions in the man he didn't think possible - not least of all, lust. But finding out it is possible for wolf shifters to have gay mates is just one of the things that Kane has to overcome if he is to have the forever future he has been hoping for. Shawn Bailey never expected to find his mate. He is just too different - an Other who has the power to instill fear in any other shifter. After spending ten years on the run from his Alpha father he spends most days just trying to stay alive. When a chance encounter brings him face to face with his mate Shawn has to decide if the man in front of him is worth staying for. But with hunters, Alpha challenges, Kane's parents and a smitten Alpha from another pack all interfering in Kane and Shawn's budding romance, not to mention some surprising answers about Shawn's own unique talents can these two true mates find the happily ever after they are looking for? The Runaway Cat Book Two Cloverleah Pack Series Griff Matthews knew he looked like trouble but for a wolf shifter mechanic he was fairly laid back most of the time. Pleased that his Alpha was finally settled with his new mate, Griff longs to meet the man of his dreams. Little

did he know he would find it that same evening, when he was too drunk to realize that his good looking hook-up was actually his mate. Problem is when he woke up sober his bed was empty. Derrick Diablo Franklin was just looking for a hook up with a like minded shifter. The sexy cat shifter was deep undercover for the FBI and although his case was coming to an end, he had hopes for his career that didnt involve finding a mate. However after meeting Griff Diablo realized his plans might have to change. But nothing is easy for the two men as they battle the FBI, a crime lord from Baton Rouge and a host of contenders looking to take Diablo away from Griff. And just who is Angel Bandures? When No Doesnt Cut It Book 3 - Cloverleah Pack series Scott Peterson, beta wolf in the Cloverleah Pack, had a good life. He loved his cars, riding his Harley, and going out with pack members and friends. But when an attack on his pack by a bear shifter, brings his mate into his world, from Texas of all places, Scott realizes he could lose everything he ever held dear. Damien, Alpha wolf of the San Antonio Pack, didnt want to go to Cloverleah and definitely didnt want to be chasing a rogue bear shifter that was threatening the Alpha of the Cloverleah Pack. But he was in for a pleasant surprise when he finds his mate. Now, if he could just find the time to enjoy him. Between murderous bears, deceptive wolves, two packs and a BDSM club, the road to HEA is anything but smooth for Scott and Damien. And then theres a fire, and an Alpha Challenge, and lets not forget Diablo and Griffs wedding. About the only thing Scott and Damien havent got is time to be together, and it is that lack of time that could pull them apart. Warning: All books contain graphic scenes of sexual relations between male characters. Books also contain strong language, and in the third book sexual abuse of children is mentioned. If these topics bother you please dont buy the book.
