I know I will be looking forward to it! Kwips and Kritiques on Summer Lees Angel Heart Congratulations to Mrs. Lee for a moving conclusion to a wonderful series! Wild On Books on Summer Lees Kindred Spirits Kindred Spirits is a deeply moving and fascinating look at life before the Great Flood. I loved this book! J.R. Rain, author of Moon Dance and The Body Departed Thrilling, adventurous, and deeply romantic! Elaine Babich, author Relatively Normal and You Never Called Me Princess Angel Heart is well written and imbues all the flavor of ancient times but in modern easy-to-read language. The history is well-researched but helps, rather than hinders, the story, as the past comes alive on pages of a young womans heart. Five stars.
