

## Still Into You (Contemporary Romance) (Leverage Book 5)

As far as Dr. Miles Lassister is concerned, Hollywood sweetheart Dani St. Claire is the devil. Sure, she's beautiful but that gorgeous face and fire-red hair is just a front for a soul-sucking man-eater and he should know. At one time Miles was head-over-heels in love with the starlet. But she crushed his heart and didn't bother to look back. So Miles left L.A. and everything associated with Dani behind, trading heartache for warm sand and lazy Caribbean waves. But now Dani is in trouble. Helping Dani is the last thing Miles wants to do after she broke his heart but can he just walk away when she's all alone? Find out in Alexx Andria's sensual sequel to the LEVERAGE series in STILL INTO YOU.
