

Hotshot Cowboy

A heart-warming shortromance to delight! Alone and stranded, does she accept help from the man who put her in this position? After three heartbreaking months, Hannah Langston locates her missing baby boy. Traveling to Vegas by bus to pick him up from his Grandmas house where her cheating, miserable excuse of a boyfriend had him stowed, she decides to stretch her legs at one of the bus stops. Due to the audacity of a cheeky, flirting cowboy, she misses her ride. Since her purse and suitcase are still on the vanishing vehicle, she reacts with not only fury, but also panic, and tears. Once Rory Callahan, a hotshot rancher, realizes the poor girls dilemma, he beseeches her to let him make it up to her. He promises to help her catch the bus and they team up together only to find more trouble ahead.
