

The Wyoming Cowboy

A Cowboy Who Cares Former marine Carson Lundgrens Wyoming ranch is a place where families of fallen war heroes can find joy and healing. The wounded vet is eager to give back, while rebuilding his own life. The last thing he expected is to fall for his first guest and her young son. Widow Tracy Baretta and six-year-old Johnny have been struggling since losing their husband and father. When they meet Carson, his strength, patience and generosity along with how great he looks on a horse leads little Johnny to call him king of the cowboys. They've fallen in love with the place and maybe with the man himself. But is Tracy just looking for a surrogate father? Or could this incredible cowboy really be the one who'll make her and her son believe in love again?
