

The Cowboys Christmas Plan (Grass Valley Cowboys Book 1)

Sometimes the most unexpected circumstances lead to the best adventures...

Cadence Greers plans for a happy-ever-after are quickly derailed when her fiancé runs off with his secretary a week before their wedding. Homeless, jobless, and jilted, she escapes to Grass Valley, Oregon, where she takes a job as a housekeeper and cook to seven cowboys on a sprawling ranch. Trey Thompson is a well-respected pillar of the community, running a successful ranch with his brother. All he wanted was someone to cook meals and keep the house clean. When he hires Cadence Greer for the job, he gets more than he ever planned on, including a sassy little redheaded orphan. Spend Christmas in Grass Valley at the Triple T Ranch, where mistletoe hangs in abundance and holiday magic floats in the air.
