

Her Cowboy Distraction (Mills & Boon Vintage Romantic Suspense) (Cowboy Cafe, Book 1)

Shed been watching the handsome rancher for a while, just a lone cowboy eating pie with an empty chair beside him. One night, Lizzie Wiles, Cowboy Cafes feisty new waitress, went over and dared to interrupt his tortured solitude. Daniel Jefferson seemed shocked by her boldness as he buried himself in guilt over his wives mysterious death. Lizzie tried to penetrate his gloom, but in the end, found herself falling in love. Having plans to leave town, she didnt want to think of these consequences. Worse, someone really wanted her to disappear now! Attacked and warned to leave, Lizzie had every reason to gobut she had one undeniable reason to stay.
