

## Just Like Heaven

Arthur Cooper is the star quarter back and all round heart throb of Collinswood High School. Demi Mitchell is the A-student girl who likes poetry and dreams of following in her lost mothers footsteps of becoming a nurse. When Arthur and Demis worlds collide they touch each others lives in a way neither of them could ever have expected. But what happens when you dont get the happy ending? When the love of your life leaves...can you pick up the pieces and is there any hope for a future? In this heart warming and sometimes tear jerking story, follow the lives of these 2 young adults fresh out of high school as their lives intertwine with each other and touch those around them, finding true love in each others arms, promises hard kept and ultimately coming to grips with the difficult decision on what is truly the most important thing in life. This is a story of young love you will not soon forget.
