

The Dating Game (Mills & Boon Silhouette)

NOW CASTING FOR LOVE AND THE AVERAGE JILL! The Average Jill: Mattie Grant, who'd trained for a spot on a survival show but instead landed on a dating show. Mattie had never backed down from a challenge, not even one as good-looking as Bachelor #1. Really, how hard could a dating game be? The location: A lavish mansion filled with twelve bachelors hoping to win Mattie's heart and \$50,000 and one man with an ulterior motive. Bachelor #1: David Bennett, an undercover reporter, needed a story. He'd wanted phony contestants and reality show gossip until one sweet smile from Mattie changed his strategy! The rules: In this dating game, anything goes!
