

The Diary of Anais Nin Volume 6 1955-1966: Vol. 6 (1955-1966)

Nin continues her debate on the use of drugs versus the artists imagination, portrays many famous people in the arts, and recounts her visits to Sweden, the Brussels Worlds Fair, Paris, and Venice. [Nin] looks at life, love, and art with a blend of gentility and acuity that is rare in contemporary writing (John Barkham Reviews). Edited and with a Preface by Gunther Stuhlmann; Index.
