

The Direct Path

Drawing on Tibetan, Hindu, Taoist, Christian and Kabbalistic traditions, Andrew Harvey shows why he believes the direct path is now essential to the future survival of humanity - and how the truth and vibrancy of this radical vision depends on reclamation of the Sacred Feminine. From visualisations to Tai Chi to Tantra, this magnificent book also offers specific practices for honouring the body and spirit, yet sanctifying the whole of life. Lucid, forthright, accessible and helpful, The Direct Path is a comprehensive handbook that is as thought-provoking as it is practical, and as radical as it is timeless in its sincerity of purpose.
