

The Edge of Eternity (Eclipse & Mists of Fernhaven)

SOMETHING STRANGE WAS IN THE MISTS OF FERNHAVEN A mantle of mystery had closed in on Elizabeth Blackstone. An inexplicable unnatural sensation of being watched had stricken her ever since the accident that claimed her young son and nearly her, as well. Trapped in the depths of despair, she had been experiencing gaps in her memory, hearing and seeing things that were there feeling even more frightening things. Her once-loving husband, Paula handsome, successful businessman had become a grief-stricken stranger, who had seemingly retreated from their marriage. But it was an impromptu excursion to the luxury hotel in Fernhaven that proved the true test of their bond. Paul was desperate to save his wife from the edge of devastation or worse. Would his love be strong enough to overcome a sinister and inconceivable interloper?
