

Lukes Legacy (Nans Heritage)

Pursuit of adventure caused Luke and Bonnie to join the wagon train west. Thirst for love drove Ruby away from her loving home and caused her to grow up faster than her thirteen years could fathom. Catastrophe caught Luke in its clutches and made him choose the legacy he would leave behind. In Lukes Legacy, Book III of the Nans Heritage Series, author Elaine Littau depicts characters that must live with the decisions they make. Full of passion, heartbreak, deception, romance, and resolve, Lukes Legacy promises to hold you captive from the first pages.
