

The Family Next Door (Mills & Boon Love Inspired) (Harmony Circle, Book 1)

Josh Lorenz is the last man Diane Bittner wants for a neighbor. He's the holdout juror responsible for letting her husband's killer walk. But she finds herself outvoted when their preteen daughters conspire to bring their divided parents together. Josh has always followed his conscience and hopes Diane can forgive him for doing what he believed was right. But he realizes he wants a lot more from the attractive single mother. With the help of their kids and their close-knit community, he and Diane have to decide what really matters. Reliving the mistakes of the past? Or planning their future together?
