

The Friends of Jesus: Life-Changing Bible Study Series

Americas favorite inspirational novelist and number-one New York Times best-selling author offers a richly told tale about six of Jesus closest friends and companions, bringing biblical truths to life in this captivating continuation of her Life-Changing Bible Study series. In our everyday lives, friends are the people whom we spend the most time with, go through struggles with at times, and who know us best. Each of Jesus friends - Peter, John, Matthew, Judas, Mary Magdalene, and Lazarus - traveled with Jesus and were part of his daily ministry, and each has a compelling story to tell. There were some who would question or doubt him, and one would even betray him. Kingsbury brings these fascinating personalities to life in ways that will not only help bring you closer to the truths found in scripture, but also to Christ. By combining valuable, instructive Bible study with compelling, insightful character sketches of Jesus companions, Kingsbury provides you with a deeper understanding of the scriptural teachings featuring these fascinating people. Emotionally powerful, thought-provoking, and soulful, The Friends of Jesus will help you to appreciate the Bible and understand how it applies to your relationships with the most important people in your life.
