

Sweetest Mistress (Fem Dom Book 1)

Women wouldn't want to play out his kinky fantasies, but Wyle doesn't want to be alone. And though Melissa is too beautiful for him, and too young, she doesn't seem to mind that he's a boring financial professional past his prime. Instead she invites him in for a cup of coffee that turns into more. In a weak moment of honesty, Wyle divulges his deepest desires. He doesn't want to possess Melissa, he wants to worship her. Together they explore with a hot spanking, scorching phone sex call, and a humiliating anal play session, but the true test of his limits comes in a form neither of them expect. Sweetest Mistress is a 21K-word erotic novella featuring explicit sex, BDSM, and graphic language. Not for anyone under the age of 18 or who is uncomfortable with the subject matter. In Sweetest Mistress, the encounters seemed very true-to-life, the way you would expect them to occur. I particularly enjoyed the voice, and the humor. Very well written. - Cara Bristol, author of Unexpected Consequences
