

## The Decision (The Friessens Book 5)

The Friessens, stars of the bestselling series, are back with **THE DECISION**, another heartwarming fan favorite romance from New York Times and USA Today bestselling author Lorhainne Eckhart. Emily Friessen has everything a woman could want: a husband whos the love of her life, a family that stands together, and children she wouldnt trade for anything. To everyone around her, shes confident and strongbut then, she has to be with a man like Brad, who is all about family and too handsome for his own good. Emily isnt as together as she appears, though, and when life throws her and Brad a curveball, it tests their relationship, leaving Emily scrambling and feeling very much alone as both are faced with a decision no parent should have to make. Dont miss any of The Friessen books, beginning with *The Forgotten Child*, the very first book in this big family romance series: **THE OUTSIDER SERIES** *The Forgotten Child* (Brad and Emily) *A Baby and a Wedding* (An Outsider Series Short) *Fallen Hero* (Andy, Jed, and Diana) *The Search* (An Outsider Series Short) *The Awakening* (Andy and Laura) *Secrets* (Jed and Diana) *Runaway* (Andy and Laura) *Overdue* (An Outsider Series Short) *The Unexpected Storm* (Neil and Candy) *The Wedding* (Neil and Candy) **THE FRIESSENS: A NEW BEGINNING** *The Deadline* (Andy and Laura) *The Price to Love* (Neil and Candy) *A Different Kind of Love* (Brad and Emily) *A Vow of Love* **THE FRIESSENS** *The Reunion* *The Bloodline* (Andy & Laura) *The Promise* (Diana & Jed) *The Business Plan* (Neil & Candy) *The Decision* (Brad & Emily) **PRAISE** for Lorhainne Eckharts books: Lorhainne Eckhart has a way at really tugging on the heartstrings and this story is no exception. The latest installment into the Friessen legacy has continued the rich storytelling and chemistry since the series began with *The Forgotten Child*. I love how all of

these characters have grown/matured with each new story. Thank you Ms. Eckhart for continuing this wonderful saga. Eckhart is one of the best storytellers that I have read in a long time. I was riveted by this series as much as I was by Saved. I am an avid reader, and Ive become impatient with poor writing. I would recommend reading any of Lorraine Eckharts books, but only if you enjoy reading books that you cant put down. Wow, what a story! Loved this, loved this, loved this! Grabbed me from the start and held me the whole way through. Obviously this writer has the talent to pull the readers in and keep them - thank you. A brilliant book, a must read and thoroughly enjoyable. I am passionate about Lorraine Eckharts writing. This family history is so intense it is hard to stop until the end. I enjoy this story so much that I bought all the books concerning this family. Had a hard time closing the book until I finished. Best Family Series Ever! I love the dynamic of this powerful close family. Three brothers, a cousin and all the spouses and children make for an interesting spellbinding story you wont want to put down. Whole lot to love! Havent read one yet I havent absolutely loved, this one is no exception. Get it, read it, fall in love with this series and this author. I loved the whole series. I could keep on reading about this family. Makes a person wish they could be part of them.
