

Life Is Like a Football Game

The plan of salvation may be one of the most difficult topics to get youth to listen to and understand- -but not anymore! Using enough humor to keep you rolling with laughter and an energy level capable of lighting up New York City, Troy Dunn tackles this topic and wins! Troy shows how some gospel principles are easier to understand when viewed through the eyes of a football player. He will walk you step by step from the locker room to the field and finally to the homecoming party. If you want to experience how exciting the gospel can really be, take an hour to discover why life is a game of football!
