

## The Girl Most Likely

No one wants to take a risk on The Girl Most Likely To Have Fun...except the one person in the world shed rather not ask. Katie Buick dreams of opening her own niche restaurant, but finding a financial backer for a reformed party girl is proving impossible. Until she makes a final desperate plea to Ric Emerson, former geek and high school friend turned successful businessman. Too bad they havent spoken since she humiliated him before their prom. The last thing she expects is for him to say yes, or for him to have made such a complete transformation from old friend to heartthrob. But she learned the hard way that nothing good comes from mixing business with pleasure. Ric knows Katies idea is brilliant, and with his business acumen and her work ethic, theyre sure to be a success. Building the business brings Ric and Katie closer together. Chemistry still simmers between them, blurring the lines between personal and professional despite their best intentions. Ric trusts Katie to make their business a success, but can he trust her with his heart a second time?
