Large Type Edition, Optimized for Low Vision Reading. * Text uses APHont, a font especially designed for low vision reading by APH Products * 18 point font size used for main text * Paragraphs in block style without right justification * and hyphenation * The Science of Getting Rich is the culmination of Wattles lifetime of study and writings. The book was originally published in 1910, shortly before Wattles died. The book is considered by many to be the original inspiration for the New Thought movement. The timeless message of The Science of Getting Rich continues to inspire millions and was one of the original sources for the bestselling book, The Secret. The Science of Getting Rich preceded Napoleon Hills Think and Grow Rich and may have provided some of Hills inspiration for his research.
