

The Golden Chance

Stunning, stubborn, and independent, Philadelphia Fox lost her best friend because of the fabulously rich and powerful Lightfoot family of Washington state. Now she's got her friends controlling shares in Lightfoot Industries - an inheritance that brings Nick, the family's prodigal and supremely attractive son, knocking at her door. An unexpected and irrepressible spark between them blazes into extraordinary passion, and Phila - historically unlucky in love - finds the deepest satisfaction she has ever known. But behind Nick's gray eyes lurks a disturbing enigma and Phila must make the choice of her life. Trusting Nick may come with quite a price - but giving in to his strong, sensual seduction is a golden chance that may never come again.
