

The Golden Mask (Harlequin Presents, No 1537)

Eden knew little of life beyond her familys New Zealand sheep station. She realized exactly how little when Blade Hammond returned to Onemahutu. Five years had only enhanced his golden looks and rugged physique--and Edens teenage crush. A crush that was now fueled by desire. - Blade made it clear he still thought her a child. She couldnt compete with the glamorous sophisticates he dated--she could only suffer the torment of loving a man so far out of reach. But had Eden just imagined the flash of white-hot emotion behind the golden mask of Blade Hammonds features--or had Blade finally realized she was a woman?
