

## The Goodfella Tapes

Goodfella Tapes by George Anastasia is the true story of how the FBI recorded a mob war and brought down a mafia don. A riveting, eye-opening true crime masterwork in the vein of Wiseguy, Underboss, Havana Nocturne, The Valachi Papers, and other bestselling exposes of life in La Cosa Nostra, Goodfella Tapes is an astonishing story of the brutal acts and remarkable blunders of soldiers, capos, and kingpins of the Philadelphia mob and the ingenuity of government agents that, combined, help topple a powerful criminal enterprise.
