

Project Date (PILLOW TALK NOVELS Book 1)

Step 1: Dump Mr. Wrong. . .Philomena Donovan just broke up with the perfect guy. Barrys rich, handsome, and sweet as can be. In short, hes wonderful. . .for somebody else. So its bye-bye Barryuntil Mena needs him back, not for romance, but to get one up on her superior sister, Daphne. Theres just one hitch: Barrys met his soul mateand its not Philomena. . .Step 2: Date Mr. Right. . .On to Plan B: Make Barry look bad in front of his new girlfriend and snag him on the rebound. Mena even spices up the brew by dating Barrys best friend, Rio. If this doesnt lure her ex back into the fold, nothing will. Then the unthinkable occurs. . . Step 3: Pick up the Pieces. . .Love. It wasnt supposed to happen, not with Rio at least. Sure, hes gorgeous, funny, and smart, but someone who teaches boxing for a living will never get her parents stamp of approval. And when Rio finds out what Menas really been up to, its time for some serious damage control. Now, if she wants to make things right, Philomena will have to start thinking with her heart. . . Perrys strong writing and humorous banter make this story enjoyable. --RT Book Reviews
