Anna must find the courage to tell Lukas the truth. Will he find the courage to forgive her? Anna was once betrayed by someone she loved deeply. In an attempt to never be hurt again, she and her mother relocated to Middlefield, Ohio. It was the ideal place for Annas broken heart to mend. In Middlefield, Anna withdrew from risk, placing all her attention on managing the new gift shop she and her mom bought. When Lukas introuces himself, Anna cant resist her attraction to him. Though she finds herself falling in love, shes hiding a piece of her past in fear that their future will be destroyed if she tells him the truth. But love cant be built on lies and the past comes rushing back to Anna in an irreversible way. Now Lukas must decide how he will react to Annas betrayal. As they cling to their belief in an honest love, they realize its a path they must walk together even as it leads to unexpected places.
