SUPER Fabulous Fathers THE FATHER OF HER CHILD WAS A SHEIK? A decade ago Ben Shalik had disappeared from Megan OSullivan's life, leaving her with nothing but memories and a baby. Now he was back, causing Megan to tremble with more than desire. For Ben was of royal blood and his only heir was their daughter. Ben was determined to make things right with the woman who haunted his dreams and the daughter he never knew existed. Though Megan swore it was over, he'd be damned if he'd allow fate to take away his family again. Larger than life, this royal daddy wants his child and the woman he'd never forgotten!
