

The Iliad of Homer

The Iliad of Homer tr. by Samuel Butler If you are contemplating buying The Iliad, sure that you know what the book is about. Thus, why to buy a Knowledge Management Edition instead of a normal one? There are several reasons, among them saving time -you do not have much time to read, or you have to read it aloud to youngsters or elders-, catching up quickly with its contents -for a second reading, for catching up with classic literature, before watching the film-, of having two versions in one -for english students with different levels of proficiency; etc. This book will be officially published in 2006. Therefore, get it at pre-publishing prices (cheaper, of course!) before the official launch!
