

Cant Say No [The Improper Ladies 3] (Siren Publishing Classic)

Helen Richmond, the daughter of the infamous Earl of Charbeau, is privileged, aristocratic, and pledged to a man she loathes. There is only one way she can think of to get her point across about her upcoming unwanted marriage and that is to lose her virginity in the most scandalous way possible. It doesnt matter that he doesnt deserve his reputation as Londons most celebrated libertine, Wade Wicked Warrick knows how everyone sees him. He finds the whispers an irritant until one night a beautiful young woman climbs into his carriage and offers him her body. Normally, he would refuse outright, but something about her is unique and somehow he just cant say no... (This title was previously published as The Sins of their Fathers.) A Siren Erotic Romance
