

The Interpretation of Dreams: Sigmund Freuds Seminal Study on Psychological Dream Analysis

The Interpretation of Dreams, Freuds masterpiece and legendary contribution to psychiatry was originally published in 1899 and subsequently revised several times. This edition contains the benefit of the first three revisions, providing a definitive view of Freuds concepts as he refined them over time. Freudian dream analysis and the study of the unconscious are pillars of modern psychology and essential study for any student of the human mind.
