

The Intimate, Intricate Rescue

Eve is kidnapped and its Mitchs job to get her back to safety. But traipsing through the jungle wasnt Eves idea of a great time - especially when following behind a man who could easily impersonate a mountain. Passion flames in the heat of the jungle, but can love maintain once Mitch and Eve are back in civilization? Mitch realizes that theres so much more to Eve than he initially realized, and some of it could be dangerous. Shes not the rich, spoiled debutante hed assumed. But who is she?
